

Helping teachers connect, one message at a time.

Over 60 Million
messages are sent through
Remind each month.

90%
of Remind users are
public school educators.

Worldwide
The Remind app is available
internationally on iOS and Android.

Over 60%
of high school teachers that use
Remind say that it has increased
homework turn-in rates.

6.3 Million
photos, documents, and
presentations have been sent
using Remind

Over 70%
of K-8 teachers that use Remind
say that it has increased parent
involvement.

"Hey I just met you and this is crazy, but I'm your teacher so study maybe."
